

Twelve Rules For Learning a Language

From Fast Easy Way to Learn a Language

By Bill Handley

- 1 Use multiple textbooks and grammars
- 2 Use the Transparent Language/Nodtronics Eureka Introductory course to get started
- 3 Use a recorded language program for oral/aural practice
- 4 Make your own survival course
- 5 Buy light/pleasant reading material (jokes, comics)
- 6 Learn songs, download the lyrics
- 7 Learn the language in two waves
- 8 Play with language computer games for kids
- 9 Have immersion days
- 10 Use the methods to learn your vocabulary
- 11 Utilize “lost time”
- 12 Play at learning the language—don’t work at it
